Erasmus+ Policy Statement

WSPA has a strategy for organization and implementation of international cooperation projects within our internationalization strategy document "WSPA International". Main types of WSPA international cooperation projects which include Erasmus+ instruments:

- Students mobilities
- International Office mobilities
- Organization of training and teaching mobilities for incoming and outgoing WSPA's staff
- Organization of training and teaching mobilities for incoming partner universities staff
- Individual research/training programs in partner institutions for WSPA's staff
- Bilateral cooperation with partner universities based on Erasmus+ Programme instruments (study, internship, research, teaching, training visits)

WSPA participation in the Erasmus+ program is an important factor in the development and modernization of the institution.

Realization of Programs' projects will be leading to gain the following goals:

1. Increase of the quality of education, widening educational offer, increasing chances in domestic and international labor market
2. Digitalization of project' service, popularizing digital tools among students, such as European Student Card Initiative and Erasmus+ Mobile App
3. Implementation of blended mobilities for students and staff
4. Promotion of education in foreign languages by offering courses in English, Spanish etc., as well as familiarizing with other countries culture and languages
5. Getting involved previous mobility participants into promoting the Program, as local projects ambassadors
